

## **IBCP Recognition in India and Abroad**

The International Baccalaureate Career-related Programme (IBCP) is a qualification that combines academic study with practical, real-world learning. The IBCP is recognized by a variety of universities and colleges around the world, including the Association of Indian Universities (AIU). Recognition of the IBCP by the AIU means that students who have completed the programme can apply to universities in India and have their qualifications recognized by the AIU. This can be beneficial for students who are interested in pursuing higher education in India or seeking employment in India. Overall, the IBCP is a respected qualification that is recognized by a range of institutions and organizations around the world, including the AIU.
